

## SPONSORSHIP OPPORTUNITY

**SEMINOLE COAST** is a team of highly motivated students from both Florida State University Panama City and Gulf Coast State College. The students are driven to further their engineering skills by competing in the International RoboNation competition, RoboBoat.

**OUR HISTORY** In June of 2019, against all odds, Seminole Coast became the first competition team from either of their home institutions to participate in an event of this magnitude, outside the bounds of senior design classes. Fueled by nothing more than sheer determination, our team was able to impress and form lasting connections with the judges,

placing 5<sup>th</sup> in static design and solidifying Seminole Coast as the top rookie team at the competition. Along with a sponsorship from NVidia, we earned two separate awards: top documentation of a first year team and a voucher from Blue Robotics to further our team next year.

**OUR REQUEST** Seminole Coast invites you to be a part of our team and support us in our journey to return to the 2020 competition where the goal is to join the top teams in the final rounds. This year, we will be able to expand upon the knowledge we gained this past year and become a team that not only achieves the dream, but also gives back to our community through outreach programs and STEM support.

Seminole Coast is ready to tackle the challenges ahead, **and your support will help us achieve our goal of \$50,000!**

### SPONSORSHIP LEVELS

<b>Support Sponsor</b> \$1-249	<b>Silver Sponsor</b> \$250-2,499	<b>Gold Sponsor</b> \$2,500-4,999	<b>Diamond Sponsor</b> \$5,000-7,499	<b>Platinum Sponsor</b> \$7,500+
- Name on Website	- Small Name on Shirt - Name and Logo on Website	- Small Name on Boat - Medium Name on Shirt - Name and Logo on Website - Thank you Dinner	- Medium Name and/or Logo on Boat - Large Name and/or Logo on Shirt - Name and Logo on Website - Thank you Dinner	- Team gift - Large Name and/or Logo on Boat - Large Name and/or Logo on Shirt - Name and Logo on Website - Thank You Dinner

### SPONSORSHIP BENEFITS

**Name on Website** - This will allow your name to appear on our website which will be monitored and examined, not only by locals and students here in Panama City, but by the teams, judges, and staff of RoboBoat and RoboNation, many of whom are industry leaders from around the world.

**Logo on Shirt** - Your name and/or logo will appear on the coveted Seminole Coast's team shirt. This shirt will be worn at the RoboBoat competition that will last an entire week. Your name and/or logo will be at different sizes depending on the support you provide. Your name and/or logo will be displayed for other teams, companies, judges, and staff to be seen that participate/attend the competition. Also, because this is an international competition, your name and/or logo will be exposed to people from around the world.

**Thank you Dinner** - A special dinner will be hosted by us to show appreciation to our Gold, Diamond, and Platinum Sponsors. You are encouraged but not required to attend this. More information to come after the competition.

**Logo on Boat** - Your name and/or logo will appear on the Seminole Coast's RoboBoat that will participate in the competition. Your name and/or logo will be at different sizes depending on the support you provide. Your name and/or logo will be displayed for other teams, companies, judges, and staff to be seen that participate/attend the competition. Also, because this is an international competition, your name and/or logo will be exposed to people from around the world.

**Team Gift** - Gift from the Seminole Coast Team.
